Dear BDC Family,

Inside this packet you will find all the information you will need for dress rehearsal as well as recital. It is a lot of information, please read it all carefully and keep this packet in a safe place for future reference. This information can also be found on our website [HERE](#)

When putting together our recital we try our best to accommodate every BDC family. We want you to have the most enjoyable experience with your dancer on their recital day. Please know the show order is final and will not be changed.

Your dancer has been working so hard this year and we want to celebrate them at recital. We have loved teaching them this year and hope they dance with us for many more years to come.

## Tips for a Successful Dress Rehearsal and Recital

1. **Be organized**- have all costumes steamed and ready, all head pieces, gloves, shoes, tights, etc. packed neatly. There is nothing to frazzle a dancer more than to not have all their costume parts/shoes.
2. **Be on time.** Arrive 30 minutes BEFORE the show begins, get a program, find a quiet place and set up your costumes.
3. Have your hair and makeup done BEFORE you arrive at the venue.
4. **Bring an extra pair of tights.** You never know when you will get a hole, get a mark or something else happens to your tights.
5. **Clean your ballet shoes.** Canvas shoes can be washed. Make sure to AIR DRY them because the dryer will shrink them. Leather shoes can be scrubbed with household cleaner to remove brown and black marks.
6. **Bring** hairpins, hair spray, extra hair ties, and makeup. Hair and makeup need to be touched up throughout the performance.
7. **DO NOT SHARE MAKEUP.** Doing this can pass too many infections.
8. **Stay until the end of the recital.** There is a final group bow. You cannot check your child out until the end of the show.
9. **No photography or videotaping** during the recital. You may take pictures and video during dress rehearsal. The show is professionally recorded, and each family will receive a link.
10. Your dancer may get nervous to be on stage, this is normal. That is why we have a dress rehearsal where they practice their dance and become confident. They will do great. Use positive words of encouragement if they are feeling uneasy.
11. **Do not wear underwear** under your costume! Your tights are your underwear.
12. **Cheer** and clap for everyone at recital, it is the greatest reward you can give a performer.
13. Dancers ages 4 and older will be checked in backstage prior to the show. No early checks out will be allowed. Dancers ages 3 and younger will sit with you in the audience.
14. No jewelry or nail polish allowed on dancers
15. **To receive a recital text remind please type @updatebdc to 81010.**

# BDC Recital Q & A

## 1. Should I wear my costume to the recital?

Yes, wear your costume, tights and street shoes to the show. Change into your dance shoes backstage. Have your hair and makeup done too.

## 2. Can I take pictures or videos of the recital?

Pictures and videos of any kind are prohibited during the recital. It is distracting to the audience as well as unsafe to the dancers. A professional videographer will record our performances. Each family will receive a downloadable link to both shows.

## 3. Why do we need to stay until the end of the performance?

We ask ALL dancers to be a part of our grand finale bow. Our dancers work so hard all year long and the best reward is the applause of a full audience.

## 4. What if my dancer won't perform on stage because they are nervous?

Our staff is prepared to handle these situations, please know we will use words of positive encouragement, walk them out on stage, and guide them with praise. If all of this fails, we will NOT force your child to go out on stage.

## 5. Why are there 2 shows?

We have too many dances to have 1 show; it would be over 5 hours long! We try our hardest to place siblings and dancers with multiple classes in the same show, but sometimes it is impossible. Please understand we do our best.

## 6. Where will my dancer sit or be during the show?

Dancers ages 3 & under will sit on their parents' laps. All other dancers will remain backstage with a secure check-in and out with parent volunteer supervision. You may send items to eat, drink or play with while they are waiting.

## 7. How do dancers ages 3 & under get from audience to stage?

One parent will bring their dancer backstage 5 dances prior to their performance. Parents will walk their dancer onstage and then wait off stage. Once their dancer is done dancing, they will take them back to the audience.

## 8. Will I be allowed backstage to check on my dancer during the show?

Only parent volunteers will be allowed backstage during the show. No one else will be allowed backstage.

# 2026 Recital Makeup Requirements

\*Ages 7 & Older

Dancers under 7-wear blush and lip gloss

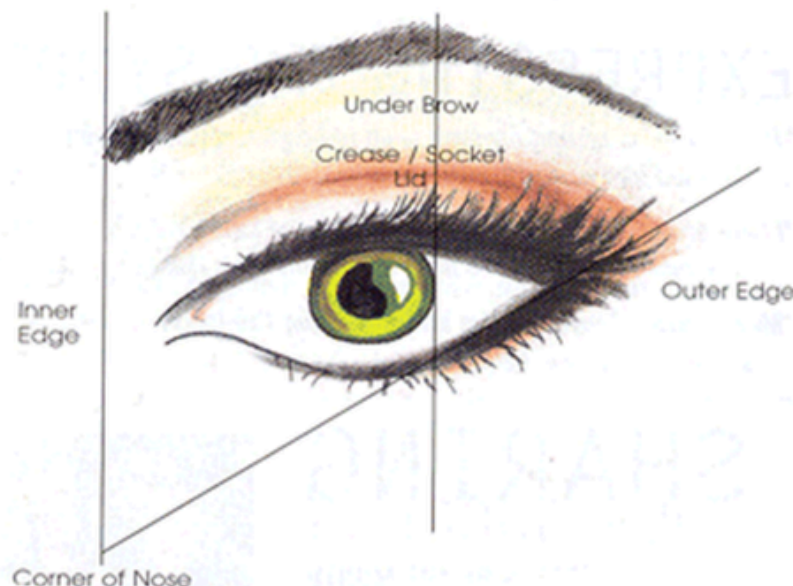

Boys do not wear makeup

Please apply the following makeup for both dress rehearsal and recital. It is important for your dancer to wear makeup on stage because the stage lights are very harsh and will wash out your dancer's face. We want to be able to see everyone's smiling faces on this very important day!

Click [HERE](#) for a bun tutorial

Please Apply (Girls Only):

- Foundation and matching powder all over dancer's face
- Pink blush on cheekbones
- Brown eye shadow on eyelids and crease
- White highlight under eyebrows
- Black eyeliner on both top and bottom of the eyes
- Black mascara on top and bottom lashes (false eyelashes, Competition team only)
- Red lipstick (pink lips if your costume is pink)

# Recital DVD & Thumb Drive

# Recital Requirements

**This is your complete list of what your dancer MUST wear for DRESS REHEARSAL and RECITAL.**

All dance shoes are available at Barres' N 'Blades. Links have been provided for tennis shoes. The links provided are a base for what we would like. They do not have to be the exact shoes. They are just an idea. Please make sure tennis shoes are solid colors.

Please cut all visible tags out of costume.

# Parent Volunteer Form

**Accepting forms now until May 16th**

In order to help our shows run smoothly, we need Female parent volunteers to help supervise dancers waiting in the back.

**All dancers ages 4 & older are required to stay in the dressing rooms with their class during the entire recital.**

Dancers are securely checked in and monitored by staff and parent volunteers throughout the entire performance. No child can leave or be checked out early. Riley monitors the check-in and out process.

Parent volunteers are needed to escort dancers to the stage before and after they perform. Parent volunteers are responsible for helping change dancers, take them to the bathroom and are required to stay with their assigned class until the LAST DANCER HAS BEEN CHECKED OUT.

If you volunteer, you will be able to watch your child dance from backstage. You also will be given **one free recital ticket** to the show of your choice. A free ticket code will be emailed to you prior to tickets sales to use at check out.

I understand that I must be present backstage with my dancer's class from the beginning of the show until the last dancers are picked up after the show. I understand that I am responsible for both my child, my child's class, and possibly other classes backstage. I understand some of my duties while volunteering will be to help change shoes, tights, or costumes. I may need to assist a dancer to the bathroom.

**Only 2 parent volunteers needed for recreational classes ages 9 & under. No competition parents needed.**

**Please fill out the Google Doc and submit it no later than May 16th:**
